

Below is a how to Guide to Ordering Parts

Once the Customer Parts Catalog is open, you may be wondering what to do next. Here are a few quick steps to help you through the process of adding parts to a part list and sending that part list to your local dealership.

1) Enter the model number or partial model name you are researching and press ENTER or click SEARCH.

Click on the appropriate model to display the sections.

Click on the appropriate section to display the figure titles

Click on the appropriate figure.

Once the figure is displayed, review the image and the parts in the bottom of the window to locate parts to add to your list.

The screenshot shows the CNH Parts & Service Catalog website. The search bar contains 'ts' and the search results list various tractor models. The 'Engine' section is expanded, showing a list of engine parts. The '0.02.1 ENGINE' part is highlighted. Below the list, a detailed diagram of the engine is shown with callouts 1, 2, 3, and 4. The table below the diagram lists the parts to be added to the list.

	Key	Qty	Part Number	Part Name	Description
Add	1	1	87802378	ENGINE	TS100A
Add	1	1	87802386	ENGINE	TS115A
Add	2	1	87802965	EMBLEM	
Add	3	15	85700893	COVER	14.27X9.52
Add	3	4	82013380	COVER	16.5X6.5

2) On the image, use these buttons to help you see the image detail. These buttons are (from left to right): Fit to Window, Zoom Out, Zoom In, Full Size(1:1), View Printable Figure/Parts List.

Fit to Window – returns the image to it’s default size.

Zoom Out – makes the image smaller.

Zoom In – makes the image larger

1:1 or Full Size – adjusts the image to it’s largest format

Printable Figure/Parts List – this opens a separate window where

View the full size image is at the top and the parts for that image are at the bottom. From this separate window you can Print the Image only, Print the Part list only or Print Both. Click Return to Catalog when completed.

3) At the bottom of the image you will see the parts for that image. You can click **Add** for the parts you wish to add to your Parts List. A green checkmark signifies that part was added to your parts list. You can change the quantity in a later step.
